WHERE: brought to your classroom (not auditorium or cafeteria – must be classroom-size)

TIME: a minimum of two 45 minute workshops in a 2 hour period in one chosen subject

WORKSHOP DESCRIPTIONS:

Queens Symphony Orchestra, in our 56th season and the **only professional orchestra** in Queens, will present workshop topics custom made for your students. These workshops can be used individually and/or as an enhancement of our Young People's Concert *Let's Make an Orchestra!*, taking place May 21, 2009. They will each be taught by a professional QSO musician and the lesson plan will be tailored to the age and musical expertise of your students. Each workshop will last approximately 45 minutes and there will be a minimum of 2 classes taught within 2 hours per school, but each school has the option to order additional classes (3 classes in 3 hours, 4 classes in 4 hours).

Please contact the QSO Education Coordinator IMMEDIATELY to reserve workshops dates for your class(es). QSO asks for co-sponsorship from your school in the amount of \$180 per class (approx. 30 students per class), with a minimum of 2 classes per topic within 2 hours.

To secure your classes for these workshops, please send/fax your completed reservation form and co-sponsorship payment.

(payment accepted via school check, credit card, or DOE purchase order – send with reservation form)
