As husband and wife, we are very happy to be in the same orchestra making music together. The diverse programming and challenges we face as players in QSO are gratifying. We enjoy the unique relationship Queens Symphony Orchestra has with the community, because it gives us an opportunity to relate to the audience and feel part of their lives.

The winners and finalists of the QSO 2009 Young Soloist Competition held in May 2009.

"Let's Make an Orchestra!" held last spring at Queens College had a fun game-show format.

DON'T MISS the remainder of our exciting Masterworks Concert Series "Strings Attached". Saturday, February 20, 2010 at 7:30 pm, QSO will present *Bach to Dreams of Flying* in collaboration with Musica Reginae. And the event everyone will be talking about, our QSO Gala Concert *Maestro's Musicians* on Saturday, May 8, 2010 will feature a dazzling array of musical selections showcasing our famed Music Director's special guest stars and members of the QSO. This concert will be preceded by a mouth-watering dinner featuring cuisine from a variety of fabulous, Queens-based restaurants. There has never been a more entertaining way to support QSO.
